

Information & registration form for artists

Conditions

- 1) During the Festival of Colours, there will be two competitions for facepainters. Both competitions will take place on Sunday, 27th June, 2010. You must be registered to participate in these competitions (see attached form).
- 2) A fee of 25,00 € is required to register for the Festival of Colours. This fee ensures that the facepainter will be a participant and will be refunded upon check-in at the information counter at the Festival. There are two options to pay the registration fee:
 - International wire transfer
 - PayPal – pay the amount to zahlungen@schminktopf.de, mention “Pledge for Festival der Farben“ and your name

When a completed registration form is received and the fee is paid, a registration confirmation will be sent by email.

- 3) Every registered facepainter must paint in both competitions and is the only one who is allowed to paint on the face of their model.
- 4) Registration must be completed by June 12, 2010. The registration will become valid once it is confirmed and the registration fee is received.
- 5) We suggest that you bring your own model.
Please note: Festival management may be able to find a local model willing to get their face painted. The following conditions apply:
 - We need to know at least 3 weeks in advance that you will need a model
 - Specific facial characteristics of the model cannot be requested or guaranteed, such as high forehead, high cheek bones, etc.
- 6) All models must sign a model release form. The parents or guardian of a minor must sign a model release form for the minor. Models who do not sign this form will not be allowed to model for the artist. A model release form is attached to this document.

Organization

- 1) All facepainters must be at the Festival information desk at the Interkarneval Foyer on Sunday, 27th June, 2010 by 9:00 a.m. Locations will be assigned at this time. Festival participants will be permitted to display advertising for themselves or their company at their assigned tent location.
- 2) Festival participants are allowed to paint the following parts of the body:
 - the face and the rest of the head, hair,
 - neck, nape of the neck, and décolletage.
 - It is strictly forbidden to paint or show primary characters of sex.
- 3) Festival participants are allowed to use the following materials: any kind of make-up, glitter, eyelashes, hairspray, and hair gel. The use of any kind of latex prosthetics, derma wax or stencils is forbidden.
- 4) The competitions start at 9:30 a.m. and 12:30 p.m. Participants are not permitted to prepare the models prior to the start of the competitions. That means no make-up base or make-up can be applied and hair cannot be styled or color applied for the design until the competition officially begins. If you break this rule, you will be eliminated from the competition immediately.
- 5) The maximum allotted time to complete a facepainting is two hours. When a facepainting is completed, the model and the artist will go to the judges and it will be photographed. Entries will be judged based on the following criteria:
 - Idea and originality
 - Artistic performance
 - Interpretation of the subject
 - Long-distance effect
- 6) At 4:30 p.m. on Sunday, 27th June, 2010, Festival management will present the competition winners in the two categories. Artists are requested to be present with their models so that they can be called on stage. It would be appreciated if the model remained painted through the presentation.
- 7) The equivalent value of the prizes cannot be paid in cash.
